

## Agreement

On this date, S2I Technologies acknowledges and agrees to maintain strict confidentiality for a period of \_\_\_\_\_ years from the date of this document, with respect to all verbal and written disclosures submitted by the client, associates, or employees pertaining to proprietary / patentable concepts related to the following: \_\_\_\_\_

Furthermore, any related proprietary discoveries made by either party during the project will also be kept confidential and will not be disclosed to any other parties or used for any other purposes other than those explicitly authorized in writing by the client (inventor), his attorney, or assignee. Such disclosures and inventions regarding the proprietary and patentable concepts, and associated formulas will be considered intellectual property of the client.

S2I Technologies agrees not to use any of the proprietary information related to this project, directly or indirectly, for the benefit of any person, firm, or corporation other than the client. All work will be conducted with best efforts and in a professional manner, but no liability can be assumed by S2I Technologies. If the client requires liability protection for any stage of the project, the client must provide liability insurance.

S2I Technologies agrees to all of the above.
